AFTER-SCHOOL CLUBS

Superstar Sports is committed in supporting children to lead healthy and active lifestyles and we believe this can be achieved through extra-curricular activities at your child's school. We offer after school clubs at various schools across Hampshire and they are the perfect way for your child to have fun, stay fit, be safe, make new friends and learn after school! During all sessions, we deliver a range of fun and exciting games to build confidence, social skills and improve fitness.
