

This week

What We've Been Working On...

This week at Copythorne the Badgers and Hedgehogs have been working hard on their sentences and writing about places in the world they would like to visit. ACE sports have been in on Tuesday teaching us Dodgeball.

In Geography we have been learning about continents and in Science we have been learning about classification of animals (mammals, birds, fish, amphibians and reptiles). In Maths, Year 1 have been looking at splitting teen numbers into tens and ones, and Year 2 have been using the smile method to add 2-digit numbers. During Art this half term we are learning how to do observational drawings and this week we learnt to recognise shapes in everyday objects.

This week in Phonics:

y (igh) ow (oa) g (j) ph (f)

(fly, snow, giant, phone)

Some spellings from Year 2:

Double the last letter to protect the short

Vowel sound unless it ends in a digraph.

Knitting, wrapping, knowing, gnashing
