

This week

What We've Been Working On...

This week at Copythorne the Badgers and Hedgehogs have been writing post cards in Literacy, imagining we have gone somewhere interesting on holiday and we are writing home to tell of our time away.

In Maths we have been learning to tell the time, Year 1 o'clock and half past, and Year 2 recapping o'clock, half past, quarter past and quarter to.

In Geography we have been learning about the continents and the oceans. In PE ACE Sports continued to help improve our Dodgeball skills. In RE we have been learning about Passover and understanding how the Seder plate helps Jews to remember.

This week in Phonics:

le (l) al (l) ce (s)

(apple, animal, ice)

Some spellings from Year 2:

Take off the e before adding 'er' 'ing' 'ed'

Bake, baker, baking, baked
