

This week

What We've Been Working On...

This week at Copythorne the Badgers and Hedgehogs have started their new book *Augustus Smile* a lovely story of a tiger who goes on an adventure to find his smile. In Maths we are learning about Mass, Year 1s are comparing Objects using 'heavier' and 'lighter' and Year 2 are reading weighing scales. At the beginning of the week we finished our unit on telling the time. In Art the children did their observational drawings and used their skills to create, texture, shadow and shade.

This week in Phonics:

se (cheese) ce (fence)

Some spellings from Year 2:

J g ge dge

Jelly, Giant, Change, fridge
