

This week

What We've Been Working On...

This week we have continued our History Topic 'The Great Fire of London' looking more specifically at the timeline of events that caused the fire.

In Literacy we did our independent writes where the children demonstrate their learning from the last few weeks. They changed the story of *Hare vs Tortoise* to a different animal. In Maths we were looking at the 2x, 5x and 10x tables. And KS1 have started their DT projects in which they are designing and making a vehicle that can transport people away from a fire.

This week in Phonics:

Focusing and recapping 'igh' and 'oa' sounds

ie, i-e, o

pie, time, post

Some spellings from Year 2:

el, le, al

Tunnel, little, pedal, metal

Homophones: to, too, two
