

# This week

## What We've Been Working On...

What a crazy busy week it's been! It's been lovely to chat to everyone at parents' evening. We've been finishing off our topics ready for the Easter holidays. The children imagined they were Christopher Wren and needed to redesign London after the Great Fire of London. We made our moving vehicles in DT with the design brief of transporting people away from a fire. The children were fantastic at the Easter service, they worked really well in such a short time and learnt their lines brilliantly. Have a wonderful Easter break!

### This week in Phonics:

This week we recapped aw /or/ ue /oo/

Claw, blue

### Some spellings from Year 2:

This week we recapped spellings from this term and learnt: si

Vision, explosion
