

# This week

## What We've Been Working On

It's amazing how much the Badgers and Hedgehogs have been able to fit into a 4-day week. In maths we have been looking at 3D shapes, capacity and direction. In literacy we finished our unit on 'If I had a Gryphon' and the children wrote their own stories about their mythical pets. Year 2s had a visit from the NSPCC charity to talk about 'staying safe and speaking out'. In science we have continued to monitor our plants we planted at the beginning of the term and working out what seeds need to be able to germinate we went on a plant hunt around our school.

## This week in Phonics:

I a ow

Tiger paper snow

## Some spellings from Year 2:

Contractions: I have – I've we will – we'll
