

# This week

## What We've Been Working On...

This week we have been continuing to explore Rwanda in Geography and comparing Village life there to our lives in the New Forest.

Sue Bowen who has been to Rwanda 13 times came in to speak to us about her experience and even brought in some toys for us to look at and compare.

In Literacy we have started our new book 'The Enormous Crocodile' and the children are loving it. We have been looking at the character of the Enormous Crocodile and doing character descriptions. In Maths in year 1 we have been learning to halve quantities and in Year 2 we have been subtracting 2-digit numbers.

### This week in Phonics:

Ph wh ie

Phone wheel shield

### Some spellings from Year 2:

ti /sh/

attention, fiction, action,
