

This week

Our worship focus:

Bible story:
**The parable of
The Good Samaritan**

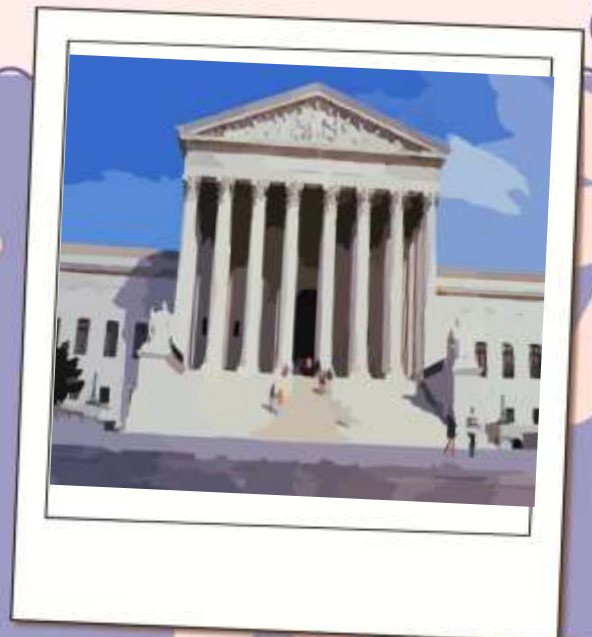

What We've Been Working On...

This week we have been working on settling the children into their new classes and establishing a class charter and expectations for the coming academic year. We have also had a focus on friendships and getting to know each other through our circle time activities. For Literacy, we have read the story of "The Koala Who Could" and we have used this as a basis for Drawing Club and writing sentences. The classes have enjoyed the book and it would be really helpful if you read the book or the versions on line, together with your child. Our Maths lessons have had a focus on number formation and recapping doubling numbers to 10 and above. For our Geography unit, we will be looking for features in the local area, such as supermarkets, Churches, schools, and understanding the differences between features in villages and towns. Please point out local features to your child, when you are out and about at the weekend, so they gain an understanding and can name features nearby.

This week in Phonics:

**We recapped the phonics that we learnt
before the Summer break.**

The Oaks
CE Learning Federation

**Miss Langton, Miss Allinson
& Miss Donaldson**
