

Kingfishers Class

Let's practise reading some 'Red'
words.

But keep it simple and fun!

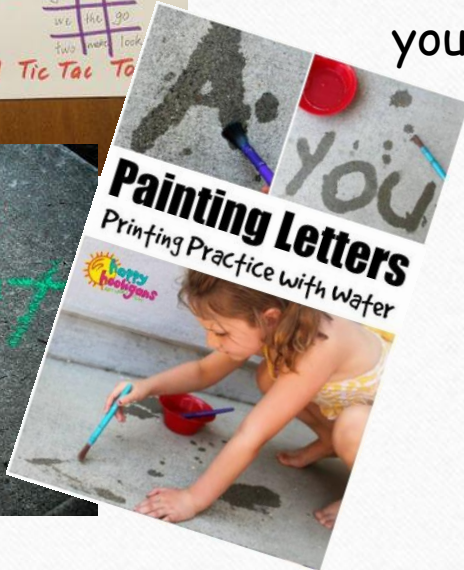

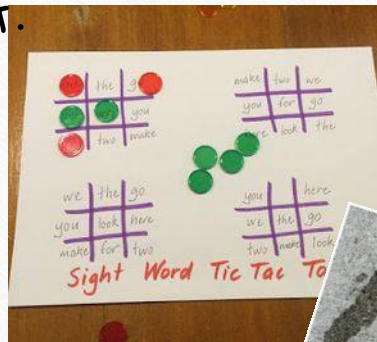

Sight word hide and seek

Matching games like bingo, snap, matching pairs are all great.

Everybody loves a splat game! Grab and pan and see how many words you can cook!

Use your favourite toys to help you learn or show what you know by teaching them!

Painting outside with water - no mess, disappears when it dries!

Place words on the floor, dance around but when the music stops jump on the nearest word and then read it.

Muffin Tin Reading Games

Words can be written on anything!
