

Netley Marsh CE Infant School

Newsletter July 2022

Summer Newsletter 2022

I was chatting with a mum (can you guess if it was you?) who commented 'where has this year gone' and I had the sudden realisation that Summer is just around the corner! As with all schools, there have been great successes and challenges, but this term has given the promise of a return to normality! (Hopefully not my famous last words). For our Year Two, this is a particularly fond farewell, as these are the children who started with me, and who have shown great resilience and attitude throughout such an unprecedented three years! I wish everyone of them success for the future and fun times ahead!

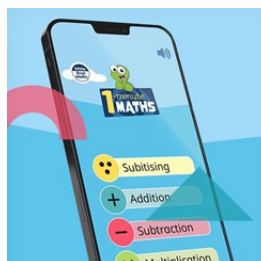

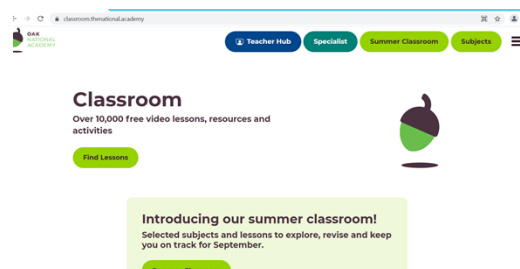

Summer School!

Please don't panic at the thought of Summer school (or for some of you, please don't feel sad at the thought of no summer school!). We know that for many of our children, the break from the summer provides a great opportunity to rest and reconnect and for others, it can leave a yearning for study ;)

The teachers will not be posting on tapestry over the Summer – I have insisted they all have a well-deserved break, but I have been informed that the Oaks National Academy, will continue to post online learning over the summer break, for those who feel that your child would enjoy the routine or would benefit from a little extra input, or have a look at the games on our website <https://www.oakscelearningfederation.co.uk/year-2-curriculum-resources/>.

Also, I have previously posted, a fab app called White rose 1 minute app. (Equally, for those of you who are planning to spend six weeks at the beach – this sounds like a good plan as well!)

INSET Days

Our planned inset days for next year are currently on our website under our parent section <https://www.oakscelearningfederation.co.uk/school-holidays/>

The teaching team will be starting off the year with refreshing our knowledge of safeguarding and reviewing our teaching of phonics – as well as greeting any new members to the Federation team. This means that your child will return to Year One or Year Two on Monday 5th September, ready for the run up to Christmas (yes...I did write that!).

It is also a fond farewell to Mrs Davis, who is retiring after 28 years of service at Netley Marsh. The children celebrated with gifts and applause on Monday in recognition of time spent at our school. Mrs Davis has lots of travelling plans and we wish her well.

Mrs Walton is also moving onto greater things, she is joining Mrs Turner at North Baddersley Junior School and taking on the challenges of working in a much larger school setting! We know she will be brilliant and continue to make a positive impact in her new school. Mrs Williams, who currently works at Copythorne, will be joining the Netley Marsh team from September!

Yours sincerely

M. Bowen.

Mr M Bowen
Executive Headteacher

Message from The Governors

As we reach the end of another school year the governors would like to thank all staff, parents and carers for their hard work and commitment in supporting the learning and development of our children as we begin to return to “normal”

It has been encouraging to see the three schools having the chance to compete in their united Sports Day event. The Summer Fairs too have provided an opportunity for school and community to come together and have fun as well as raise funds.

To our Year 2 leavers we wish every success and enjoyment as they move to their new schools in September. May they continue to appreciate and uphold the values of Love, Respect and Compassion they have experienced and shared in their infant schools.

May all staff, families and carers have a happy and relaxing summer break.

Library Books

Thank you for all the library books that have been returned to school, however there are still a few missing. Please can we ask you to have a good look over the summer for any books that may be lurking behind cupboards or under beds!

Tapestry

We have produced pdf documents of the Tapestry Learning Journals for all year 2 children. Please make sure that you download these from the link you have been sent / within your Tapestry account as soon as possible. Year R and 1 continue until they leave Netley Marsh.

DATES FOR YOUR DIARY
