What We've Been Working On

What a week we have had! We hope you enjoyed our Nativity performance yesterday if you were able to make it. Alongside the rehearsing and singing we have been working hard on our Christmas decorations for our DT project. We chose whether we wanted to stitch, staple or glue our two pieces of fabric together and finished the week by evaluating our final products. The adults were so impressed by the resilience shown by all of the children, who were very proud with their decorations. From all of the staff at Netley Marsh, we wish you a very Merry Christmas and hope you have a restful, enjoyable break. We look forward to seeing you in 2026!
