## What We've Been Working On

Another busy week for the Butterflies and Bumblebees! In maths, Year 1 have been exploring teen numbers whilst Year 2 have been exploring a new strategy for addition. The hall sounded was full of music on Tuesday as Year 2 had their first ukulele lesson with Mrs Ambler which they absolutely loved. In geography we learnt a song to help us name the 7 continents and then used this song to help us locate them on a map. In literacy, we have been writing sentences based on our text 'Dear Earth' and Year 2 have been using expanded noun phrases in their sentences to add more detail to their writing!

### Year 1 phonics focus

Tricky words including **said** and **there**

### Year 2 spelling focus

When to use the correct /ay/ sound

**The Oaks**
