## What We've Been Working On

We have had a week of telling the time in maths this week. Year 1 have been telling the time to o'clock and half past the hour and Year 2 have been telling the time to quarter past. In literacy we have been writing postcards in our independent write and have produced some wonderful descriptive language. In our science learning we compared mammals and reptiles and in geography we located the five oceans. We learnt a song to help us remember their names – I wonder whether the children could sing you the song at home? In our art learning we explored different lines and textures and in RE we have continued looking at Passover.

### Year 1 phonics focus

y making /ee/ sound

happy, funny

ea making /e/ sound

head

wh making /w/ sound

wheel

### Year 2 spelling focus

When to use the correct /ie/ sound
