What We've Been Working On

We have been working on weight in maths this week and in Year 1 focusing on lighter/heavier, the year 2's have been using kg. In literacy we have started a new learning journey with 'Augustus and his smile'; the children have enjoyed reading the book and giving their opinions about he felt, they also did some fantastic role plays and showed how they would climb the tallest tree as a tiger! In our science learning we compared herbivores, carnivores and omnivores and in geography we located the equator. In our art learning we explored tone by using shading and cross hatching and in RE we have continued looking at Passover. We were also lucky enough to have Praisin' Hands!

Year 1 phonics focus

'y' making the 'i' sound – fly

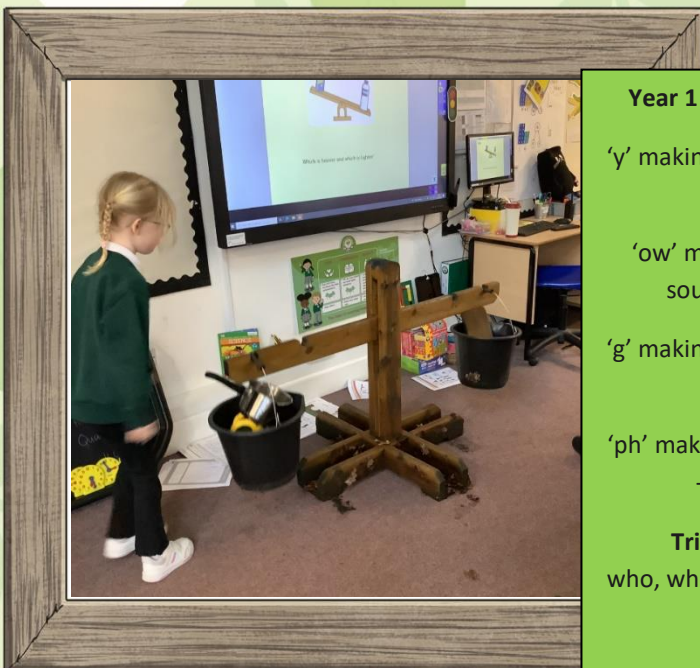

'ow' making the 'oa' sound – snow

'g' making the 'j' sound – gem

'ph' making the 'f' sound – phone

Tricky words

who, whole, where, two.
