## What We've Been Working On

We have had a jam-packed week of learning in the Bumblebees and Butterflies this week. In literacy, we looked at the –er and –est suffixes, as well as using prepositions. In maths we have been identifying and describing properties of 2D and 3D shapes. In Geography we looked at hot and cold places in relation to the Equator and the Poles and in science we constructed basic food chains. We have brought the week to an end with a fantastic Number Day. We have had a 'mathemagical' day, completing problem solving activities, creating number art and playing number games. We also talked about the NSPCC and why we are joining in Number Day. Thank you for any donations.

### Year 1 phonics focus

- 'a' making the /or/ sound  
– ball
- 'a' making the /o/ sound  
– wasp
- 'ie' making the /i/ sound  
– apple
