What We've Been Working On

.A very busy week for us here at Netley! We loved our pancakes and the races that followed on Tuesday and we hope you did too. In literacy, we have started reading a new text, 'Tortoise v Hare: The Rematch', and did some role play based on the characters in the story. In our maths learning, we finished our unit on fractions and finished the week by counting in 2s. Any extra practise at home would be very helpful. In science, we started a new topic about habitats and learnt about the life processes of living things. In history we have started our new topic on the Great Fire of London and have been so impressed by the amazing home learning that was completed in the holidays!

Phonics and spelling focus this week:

We have been reviewing last term's tricky words this week:

ask, different, thought, people, said, the, because
