## What We've Been Working On

We have had another wonderful week of learning at Netley. In maths we have been counting in 5s and 10s – any extra practise at home would be helpful. In literacy, planned and wrote our own story based on 'Tortoise vs Hare: The Rematch' and we were so impressed by the writing on display! In history we ordered the events of the Great Fire of London on a timeline, and in science we looked at different habitats and which animals and plants live there. In our RE learning today we have looked at the Easter story and considered the beliefs of Christians related to the story. Have a great weekend!
