

This week

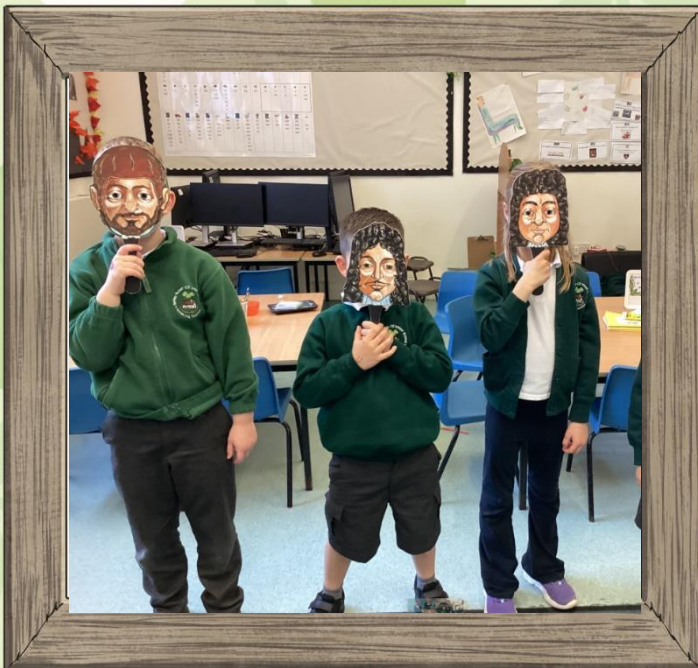

W/C Monday 23rd March 2026

What We've Been Working On

What a busy week we have had! We hope you enjoyed our Easter service on Monday as much as we did. We have had a week full of arts, crafts and making, with shoebox habitats in science, vehicles with axels in DT and various other Easter crafts! In literacy, we continued reading and writing about Vlad and the Great Fire of London, and in maths, Year 1 have been finding ten more and Year 2 have been adding multiples of ten to a number. We hope you have a wonderful, restful Easter break and look forward to seeing you in the Summer term.
