

This week

W/C Monday 13th April 2026

Welcome back to what we are sure will be a fantastic Summer term! We hope you had a lovely, restful Easter break. It has been a busy week as we have recommenced sessions with Jack from Ace Sports and the Bumblebees had their first swimming lesson. In literacy, we have been creating our own mythical creature and created our own Top Trump card of them. In maths, Year 1 have been recapping learning from last term and Year 2 have been exploring tally charts and pictograms. In geography we had our first lesson all about Rwanda and in science went on a plant hunt and looked at the conditions that seeds need to grow.
