

This week

W/C Monday 4th May 2026

What a wonderful week of learning we have had! In literacy, we planned and wrote stories about our own creatures which we designed at the start of the term. In maths, Year 1 have been exploring mass and Year 2 have been looking at different strategies for addition and subtraction. In computing, we used Purple Mash to create backgrounds on different slides which was really fun! We have also been practising different athletic skills with Jack from Ace Sports in preparation for the mini Olympics event at Bartley in a couple of weeks.

We hope you have a wonderful weekend and look forward to seeing you on Monday.
