

This week

W/C Monday 11th May 2026

Wow, what a busy week we have had! In literacy, we began reading 'The Enormous Crocodile' and got excited about our new text by designing and making a trap to catch the crocodile! In maths, Year 1 have been finding half of a quantity and Year 2 have been exploring strategies for subtraction. On Tuesday, we had a visit from Sue Bowen from the Diocese who delivered a presentation about Rwanda. We even got to explore some objects she brought back with her! In our RE learning, we continued looking at the theme of forgiveness, and wrote our own prayers about friendship, forgiveness and peace. We hope you have a wonderful weekend!
