

This week

W/C Monday 22nd June 2026

We have been so impressed by the children's resilience and determination throughout this heatwave! Beside keeping everyone safe and cool, we have had a wonderful week of learning. In maths, Year 1 have been recognising and finding one quarter and Year 2 have extended this to finding three-quarters. In literacy we have been focusing on using conjunctions, with Year 1 using 'and' and Year 2 looking at the subordinating conjunctions 'if', 'that', 'when' and 'because'. In DT we have designed our dips and dippers and we look forward to making these over the coming weeks! We have also had lots of water play and spent some time in the paddling pool. Have a fun, safe weekend!
