

The Oaks Federation

2023

Although it seems particularly early this year, the Christmas holidays have arrived!

The children, as well as continuing their learning in class, have all worked incredibly hard learning songs and actions for our Christmas performances.

We hope you all enjoyed these and that you are all feeling in the Christmas spirit.

Our wonderful teams of parents in each of our schools have been working hard to bring the Christmas festivities into school for our children to enjoy. Each school has held a secret shopping room so the children could experience choosing a gift for a special someone. There has been Christmas raffles, discos, bake sales to name but a few and all the money raised goes directly to the school to support and enhance our children's learning.

So thank you to everyone who has helped make these events happen.

On behalf of all our staff and Governors, I would like to take this opportunity to wish you and your families a safe and happy Christmas and we look forward to welcoming you back on **Tuesday 2nd January**.

Our School Vision

Connected through the values of love, respect and compassion. Three separate schools, we journey together to grow physically, spiritually, emotionally and intellectually, so that everyone can fulfil their potential. We strive to preserve the wonder of childhood, whilst ensuring our children are future ready.
