## Literacy

This week, we have been planning and writing postcards to demonstrate the new skills they have learnt over the past two weeks. The children will be bringing home their postcards to share with you on Friday.

## Maths

We have been learning to tell the time this week. We have all been exploring o'clock and half past, and Year 2 have also looked at quarter past.

Please help your child to recognise these times around your home.

In Geography, we have been learning to name and locate the seven continents and five oceans. Thank you to our wonderful PTA for purchasing some new atlases for the school!
