## Literacy

This week, we started a new story called 'Augustus and his smile.' We acted out the story and looked at our own reflections in a water tray (just like Augustus!) We also thought about the things that make us smile and celebrated them on a collaborative class poster.

## Maths

To begin the week, we continued exploring **Time**; Year 1 looking at o'clock and half past and Year 2 looking at quarter intervals. We then moved onto **Mass** and have been weighing objects and reading scales.

In PE, we have been practising our throwing and catching skills whilst playing Dodgeball. We are getting ourselves ready to compete at the inter-federation competition in a few weeks time!
