## Literacy

This week, we have been learning about adding the **suffixes** -er and -est to root words (ie. higher/ highest, brighter/brightest). We have also been exploring **prepositions** such as under, on, behind, in, next to, between, in front of and above.

## Maths

We have been learning to recognise, name and describe the properties of 2D and 3D shapes. When talking about shapes we have been using the mathematical language of sides, vertices, edges and faces.

On Friday, we celebrated NSPCC number day and took part in lots of number themed activities!
