

What have KS1 been doing this week?

Our theme in RE this half term is 'creation.' This week we used clay to 'create' something unique and special.

In Art, we experimented with colour mixing to make secondary colours, tints and shades.

Literacy

We have been reading 'The Koala who could' by Rachel Bright alongside other stories by the same author. We have been exploring the character of Kevin the Koala and the Australian outback setting. We have also been thinking about some exciting new hobbies for Kevin to try!

Maths

We have been practising our number formation and counting skills. We have been focusing on forming our digits correctly whilst also working on missing numbers within a sequence.

In Geography, we read the story 'The Town Mouse and the Country Mouse' to help us think about towns and villages.

In Science, we are learning about 'Materials'. This week we sorted objects according to the material that they were made from.
