Year 2

Phase 5 sounds

"ai"- a-e, ai, ay, a

"ee"- y, ea, ee, e

"igh"- igh, i-e, i, y

"oa"- ow, o, o-e, oa

Literacy

This week we began a new book called 'Martha maps it out.' We have been sharing our likes and dislikes about the book and adding labels to various maps within the story. We have also used photos of our local area to write sentences. We have been trying hard to remember capital letters at the start of our sentences and full stops at the end. Year 2 have also been using the conjunction 'and.'

Maths

We have practised counting forwards from different starting points. We have also been counting out a specific number of objects, written corresponding numbers and represented numbers in different ways.

In Art, we learnt about the difference between a portrait and a self-portrait and explored some self-portraits by famous artists. We then had a go at sketching some facial features.

In Geography, we have been learning about the human and physical features found in and around our school and grounds.
