Tricky Words- through, move, improve, prove, shoe, two, who, beautiful, their, parents

Literacy

This week we used photos and drawings to make maps; we then used these to help us write a short description of our journey to school. Year 1 were reminded to use finger spaces, a capital letter and a full stop, as well as their tricky word spellings. Year 2 were reminded to use using noun phrases, the conjunction 'and' and capital letters and full stops.

Reading Books

Please remember we swap reading books on **Friday** so please ensure your child has their book in their book bag!

Maths

We have been learning to understand the different components of a part-part whole model. We have been using this knowledge to solve missing 'parts' or 'wholes.'

In RE, we made lotus flowers to help us remember the Hindu story of creation. We had great fun putting them in water and watching the petals open up!

In Art, we have started drawing our own abstract self-portraits in the style of Pablo Picasso.
