

Super Me!

During Summer 2, the Quails are going to learn all about themselves. We will start by thinking about how we keep ourselves healthy and fit with links to superheroes. We will then start to think about the changes our bodies have made in our lives and the change they are going to make.

Personal, Social and Emotional

We will learn how to show our feelings and how to share these feeling with others.

Physical Development

We will learn all about our bodies and how to keep them healthy as well as exploring different movements.

Communication and Language

We will talk about ourselves and share our experiences with our friends.

Literacy

We will turn ourselves into superheroes and write about our powers. We will also write our own biographies.

Mathematics

We are going to learn how to solve mathematic problems using the skills we have learnt this year. We will find our own mathematical challenges to solve.

Exploring Media and Materials

We will design and make our own superhero costumes. We will create self portraits.

Understanding the World

We are going to learn what makes us different to our friends and we will explore using technology for different purposes.
