

# Netley Marsh CE Infant School Newsletter December 2022

## Our School Vision

*Connected through the values of love, respect and compassion. Three separate schools, we journey together to grow physically, spiritually, emotionally and intellectually, so that everyone can fulfil their potential. We strive to preserve the wonder of childhood, whilst ensuring our children are future ready.*

*“Be strong and of good courage, do not be afraid nor be dismayed for the lord your God is with you wherever you go” Joshua 1:9*

## Message from Mr Bowen

I say it every year - but I still can't quite believe how quickly Christmas has come around and how quickly the first term of school has sped by!

The children have been putting amazing efforts into learning words, songs and actions for our Christmas Nativity performances and I am sure you will all join me in thanking our amazing teaching team, who have worked with our pupils to enable them to perform in this year's Nativity "Born in a Barn"!

On behalf of all our staff and Governors, I would like to take this opportunity to wish you and your families a safe and happy Christmas and we look forward to welcoming you back in January.

## Staffing changes

We will be welcoming a new teaching assistant, Mrs Rose, who has worked in the Federation for a number of years and will be moving over to Netley Marsh, from Copythorne to support teaching and learning in year R!. There will also be some other new faces in Year R and Year 1 as Mr Cooper and Mrs Greenall will be supporting two trainee teachers from Winchester University.

**Children in need** – Thankyou to all who contributed towards children in need. This is a worthy cause and during my career, I have had the privilege to see the impact this charity has had on supporting children within school's I have worked. As a Federation you raised £466. A huge well done and a big thankyou!

### **School tours**

Although our official school tours have now ended, we are still happy to show anyone around. We have a number of places in all year groups across the Federation and I would ask, that you direct anyone who may be seeking a school place to make contact – either for children starting school September 2023 or those looking for in year transfers.

**Telephone:** 02380 862009

### **School reminders**

**Sickness**—it is that time again when sickness bugs are common, please can we remind you that you are required to keep your child home from school for 48 hours following the last bout of sickness or diarrhoea.

The local authority have a list on their website of common childhood illnesses and conditions from conjunctivitis to head lice, as well as symptoms such as a high temperature and a sore throat and what these might mean. There is advice about what to do and when a child should return to education after being treated. Visit the <https://what0-18.nhs.uk/parents/carers/worried-your-child-unwell/child-unwell-ok-go-nurseryschool>. If you are unsure about a child's wellbeing, please talk to your local pharmacist, call the NHS helpline on 111, or contact your GP.

### **Volunteering at school**

I would like to thank everyone for their patience while we ensure that all our safeguarding and pre volunteering information is up to date and accessible to all.

Our website now has all the information which we ask anyone working in our schools to have read. Please do let the admin team know if you are interested in volunteering so they can direct you to the relevant documents and manage the sign off process.
