

The Oaks CE Learning Federation Worship Policy

Our Vision

Connected through the values of love, respect and compassion. Three separate schools, we journey together to grow physically, spiritually, emotionally and intellectually, so that everyone can fulfil their potential. We strive to preserve the wonder of childhood, whilst ensuring our children are future ready.

"Be strong and of good courage, do not be afraid nor be dismayed for the lord your God is with you wherever you go" Joshua 1:9

Introduction

This policy is an agreed statement of the values and aims of collective worship at [the Oaks CE Learning Federation](#)

References to 'parish' refer to the local parish church which each school is linked to. This is the parish named in the Instrumental of Government for each school within the Federation school (IoG). The vicar will be the 'principal officiating minister' of the named parish.

'Worship the Lord with gladness: come before him with joyful songs' Psalm 100.

- Sometimes to provide a peaceful environment enabling stillness, reflection and prayer.
- Sometimes to be noisy and joyous with signing, music, dance, drama etc.

- To give an opportunity to experience faith as revealed in the Bible.
- To understand, celebrate and develop children's knowledge of Christian beliefs, celebrations, traditions and religious festivals in the Anglican Church's year.
- To facilitate a deeper understanding of the Christian story narrative, from creation to the present day.

- To invite clergy of the parish, other lay members of the parish and other Christian leaders in the community [as are acceptable to the parish church] to lead worship weekly.

How we achieve our aims

We aim to promote collective acts of worship, which are rich, meaningful experiences that are appropriate and significant to the pupil's needs, age, development and interest by:

- Creating a sense of occasion and reverence.
- Providing opportunities that develop pupil's awareness of what is beautiful, good, wonderful, awesome and puzzling in life experience.
- Arranging worship at different places when possible, different times with different people and groupings, involving all members of the school community at some time.
- Planning and linking themes which focus on a particular idea/concept, i.e. the liturgical year; festivals and celebrations, and our Christian values
- Using a wide range of resources, artefacts (from religious and secular sources), music, art, drama and external speakers to engage children's interest.
- Encourage children to participate and experience different styles of worship, e.g. prayer, praise, silence, rituals, and become familiar with the language of worship, Biblical readings and liturgy.
- Providing opportunities for pupils to reflect, contemplate on their own thoughts, feelings and beliefs.
- Using the centrality of prayer – personal silent prayer, personal shared prayers, collective prayers, writing prayers.
- Involving pupils and members of the wider community to participate in collective worship and activities within the parish.
- Presenting and creating displays that promote and enhance spiritual ideas, thoughts and questions.

Central attributes of an act of worship

Our schools will endeavour to fulfil the legal requirements of 1988 Education Reform Act in conjunction with School's trust deed, by holding 'an act of collective worship every day'.

During collective worship, whether in the hall, classroom or outside, we will apply the following 'central attributes' of worship:

Gathering Making worship a special time of the day.

Engaging Using the best available techniques to stimulate interest in the content

Responding Ensuring there is time and opportunity for individual, group reflection and thought, so those attending can respond in a variety of ways

Sending Summarising the worship in a meaningful short message used to create an opportunity for those attending to implement the ideas covered and to conclude the worship

See APPENDIX 2 for a fuller explanation of the central attributes of worship.

School specific organisation

ADD IN EACH SCHOOLS

The School may vary the organisation Whole School / Class / Key Stage each year or term.

Collective worship should be planned systematically, so that there is continuity, variety and clear focus on Christian beliefs and festivals. Worship is led by a variety of people that include School staff, pupils, Governors, representatives from the parish church, members of different faith communities and members of the local community.

The centrality of prayer

During the collective worship there will be a time for response and reflection, to ponder on a question, statement or thought. This may also be reflected in a prayer, offered spontaneously by a pupil or adult, read out or recited. This prayer can be displayed and used in class and school reflective areas so that:

- The school community understand the nature and purpose of prayer.
- The school community understand the part prayer may play in their lives and the life of the school community.
- Prayer contributes to the spiritual development of individuals and the

whole school community.

There will also be appropriate opportunities for prayer and other worship activities, including reflection, outside of collective worship.

Each class has a 'reflective area' to engage and promote individual pupils and adults, as well as designated special spaces around the school.

Management and organisation of resources

The [Head of Inclusion](#) plans worship on a termly basis, with input from pupils, teachers, members of the parish church and reflections / feedback from pupils, staff, governors and parents.

All classes have access to a prayer space; these may be worship spaces in classrooms and communal spaces and worship boxes

Display boards in the hall highlight the focus and theme of collective acts of worship, music and prayer.

Displays around the school reflect current ideas and themes, as well as the school's distinctive ethos and Christian values.

Communication

The school newsletters will communicate with parents our collective worship themes.

Information about school worship is also provided to the local parish church so parishioners can be informed about the worship in school.

Parental involvement

Parents are actively encouraged to participate in collective acts of worship: Family worship, church services and festival celebrations.

Legal status of collective worship

All maintained schools in England must provide a daily act of collective worship. In a Church of England School, worship must be in line with the trust deed of the school and will reflect the traditions of the Church of England.

Right to withdraw

Parents have the right to withdraw their child from the daily act of collective worship. Schools must comply with this wish and must ensure a duty of care for pupils who are withdrawn from collective worship. The Federation will respect to see if an accommodation can be reached and to ensure worship remains inclusive and invitational and open to all members of the school community.

Responsibilities

The normal expectation within our church school is for all staff to view daily collective worship as an important part of their own well-being and spiritual development as human

beings. The school will endeavour to timetable staff so all have an opportunity to attend regularly.

At interview all applicants are informed that the school holds daily acts of collective worship that promote the Christian ethos and values of the school.

The normal expectation will be that teaching staff, including student teachers, will participate in and lead collective worship.

The school welcomes offers from any member of staff who feels confident to lead worship.

[Executive Headteacher](#) is responsible for co-ordinating the programme of induction and training for staff.

The person responsible for collective worship is [the Head of Inclusion](#)

Monitoring and evaluation

Monitoring and evaluation of collective acts of worship, is undertaken by pupils, staff, and governors on a termly basis.

All who deliver worship will be observed on a termly basis. This process supports the school's self-evaluation, is a specific responsibility of the foundation governors and is reported to the whole governing body.

Pupils are also involved in evaluating collective worship through feedback in weekly class worship, questionnaires and pupil conferences.

All leaders of collective worship are asked to evaluate continuously, reflect after every worship, to develop and improve their practice.

Review

This policy should be reviewed annually, or earlier if changes are made to the SIAMS Evaluation Schedule

APPENDIX 3 - A practical guide to evaluating collective worship

Self evaluation by pupils and staff

This is an example of how a school could ensure pupil and staff engagement with the process of evaluating and developing collective worship. It exploits pupil voice and makes the process manageable.

Step 1 – Monday - Whole school worship

Led by a senior leader in the school, head, deputy, assistant head, parish member (clergy and lay), appropriate visitors, children.

Step2 – Tuesday - Class worship

Class teachers are asked to discuss the previous day's worship with the class using the 4 simple questions below.

- The class teacher does not have to prepare more material but be prepared to review openly what took place and the impact and influence of the worship from the previous day
- The purpose is to discover what the pupils have remembered, understood and learned from the worship
- If the children did not understand – the class teacher is in an ideal position to develop the ideas at an appropriate level for the class
- Simply discussing the worship – gives it relevance and importance and for some, a better and / or deeper understanding

Step 3

The class teacher now has information that can be shared verbally with the leadership at the next staff meeting. It should only take a few minutes to gather feedback from the

classes. The minutes of the staff meeting will capture the evaluations as written evidence.

Outcomes

The children will soon realise that the school is interested in their views on worship and that worship and their views matter.

- After a couple of weeks they may well be taking more note of the Monday worship – they know it will be discussed the next day
- The school is giving voice to the pupils. It is also providing them with a vocabulary and language to discuss worship
- Over time the school will be more informed about what works – has impact and influence
- The pupils and staff will better understand what the purpose of worship is and what it can become
- The pupils and staff will be more confident to prepare and lead worship for a class or school
- Worship will develop in the school through pupil voice and be a demonstrable aspect of the school that is both Christian and distinctive

The 4 simple questions to ask pupils

1. Tell me one thing you liked about the collective worship you have just been in?
 - a. *This is a personal idea just about your feelings or thoughts.*
2. Tell me one thing that would have made it better for you?
 - a. *This is a personal idea just about your feelings or thoughts.*
2. Tell me what it was about?
 - a. *This is about factual recall.*
3. Tell me why did the person leading the worship do what they did?
(How you phrase this depends on the age of the pupils)
 - a. *So what was the point?*
 - b. *What do you take away?*
 - c. *What do we learn about how we live our lives?*
