

KS1 Summer 1 Geography: Amazing Africa!

Choose from the menu three exciting activities to do at home.

Please bring in any completed activities to school to celebrate with your class.

Get Creative!

Make something inspired by Rwanda. Rwanda is full of colour, patterns and beautiful landscapes. You could paint or draw:

- Rolling hills (Rwanda is known as 'Land of a thousand hills')
- Animals such as gorillas
- Bright patterns inspired by African designs

Oh, the places you'll go!

Explore Rwanda! Rwanda is a country in Africa. You could:

- Find Rwanda on a map
- Locate the continent of Africa
- Learn 2-3 interesting facts about Rwanda.

You could present your facts as a drawing, poster or short video.

Reading Adventure

Read to discover Africa by reading a story or finding a non-fiction book about Africa, Rwanda or another different country or culture. After reading you could draw your favourite part or write about what you have learnt.

Sing out loud!

Music is a very important part of Rwandan culture. Can you listen to music from Africa or Rwanda, clap or tap along to the rhythm and create your own rhythm using pots and pans, stamping or clapping.

Out and About

Explore nature! Rwanda is known for its beautiful landscapes and wildlife. Go on a walk and look for natural features such as hills, trees and animals. You could collect or sketch what you see. How is it similar or different to Rwanda?

Amazing Maps

Create a simple map that includes the continent of Africa and the country of Rwanda. Maybe you could add colour and labels to include animals, mountains and forests!
