

Literacy

We will continue to develop our sentence writing skills, thinking carefully about word choices and accurate punctuation. We will use conjunctions to extend our writing and re-read to check it makes sense.

GEOGRAPHY

Rwanda

We will study and discuss the geographical similarities and differences of the human and physical geography of a small area of the United Kingdom and of a small area in a contrasting non-European country.

Music

Duration

We will respond to, recognise and distinguish between steady beat and rhythm pattern and how they fit together.

PSHE

In our Jigsaw lessons we will be exploring dreams and goals and learning how to challenge ourselves and overcome new obstacles.

ART

Kente Weaving

We will use a range of materials creatively to design and make African art products and use drawing, painting and sculpture to develop and share our ideas, experiences and imagination. We will develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.

Summer 1 2026

Amazing Africa!

Science

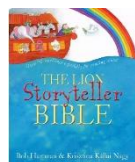

Plants: plant growth

We will be learning about the conditions needed for germination and discover what plants need to grow and stay healthy.

RE

In RE we will be thinking about the concept of forgiveness through learning about Jesus being sent to Earth by God to bring the 'good news' of the gospel.

PE

Year 1 children will be developing their swimming skills this half term.

Year 1 and Year 2 will also be learning new athletics skills ready for our Inter-Federation Competitions.

Maths

This term we will be recapping shape, and strategies for adding and subtracting.

Our new topic is money. We will count, order and compare amounts.
